---

When I first saw you  
It was the way you looked  
You stole my heart

The sweet vibrations  
That are in the air  
While you're standing there  
I want to be close to you

When i first met you it was the way you spoke  
You stole my heart

Sometimes I feel that everybody knows  
I'm in love with you

Baby please  
Don't change your hair  
Don't change your smile  
Or the way you look at me  
Don't change your personality  
Thinking of all the things you said  
You know that  
I'm very happy  
We're the best of friends  
Because you stole my heart
